

Jaxongir Abdusalomov

Web Full Stack developer

I was admitted to Tashkent University of Information and Technology in 2018 and my first step in programming started here and I am still engaged in programming, now I am a Full Stack programmer, in 2020 I learned programming in PDP, now HTML, CSS, JS, I learned to learn React JS, Java, Spring Boot and other technologies, I created small and big projects! You can see my projects at [Github.com/jaxongir0425/](https://github.com/jaxongir0425/). My goal is to work in large, friendly teams.
